LEGAL : 20-329

JULY 3, 10, 17, 24, 2020

NOTICE OF

LOCATION AND

DESIGN APPROVAL

P. I. 0013941

TROUP COUNTY

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location and design approval is: June 18, 2020

The SR 1 at Flat Shoal Creek project will replace the existing bridge with one designed to meet current design standards and raised to prevent any road overtopping from a 100-yr storm. An off-site detour will be established during construction of the project; the overall project length will be approximately 0.3 miles and located entirely within the limits of Troup County, Georgia in Land District 6.

The existing two-lane bridge will be replaced with a two-lane bridge that includes wider shoulders on SR 1/Hamilton Rd/US 27.

NOTE: Ordinarily the maps or plats would be available for public review at our area office. Due to current COVID-19 measures, members of the public may not be allowed to enter state buildings at this time. We apologize for the inconvenience. Anyone with questions or concerns about the project should call or email the area engineer listed below. To obtain copies of the drawings, maps or plats, please follow the instructions outlined below.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:
